Why Counterintelligence?

Counterintelligence is vital to our nation's security as well as the security of the U.S. Army. You will be part of a special program and upon graduation will be a qualified Counterintelligence Special Agent. You will be entrusted to protect national defense information from adversarial Foreign Intelligence Services and International Terrorist Organizations, and prevent insider threats. You will have the opportunity to work in diverse operational environments on your own, or as part of a team.

The Mission of Counterintelligence

Counterintelligence Agents are integral to providing Army personnel with information about enemy intelligence capabilities and intent, and countering those capabilities. The Counterintelligence Agent is primarily responsible for supervising and conducting counterintelligence surveys and investigations to detect, identify, assess, counter, exploit and neutralize adversarial, Foreign Intelligence Service and terrorist threats to national security.

Selection Criteria

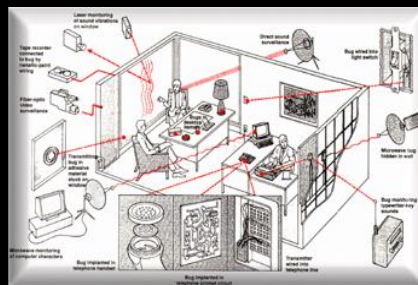

The following criteria are required for all applicants:

- * 21 Years Old (Minimum) or be at least 21 years old upon completion of 35L Course
- * Eligible to obtain/maintain a TOP SECRET clearance with SCI access
- * Minimum rank of SPC with TIS/TIG for promotion to E-5 in the primary or secondary zone - upon school graduation - must be BLC graduate
- * Minimum ST Score of 101
- * PULHES on Physical Profile no higher than 222221
- * Free of objectionable accents or speech impediments
- * Knowledge of the English language in both verbal and written form
- * Ability to reason and express yourself in writing
- * Must be able to pass a standard APFT and be in compliance with weight and body fat standards IAW AR 600-9
- * Must hold a valid civilian drivers license
- * Minimum of 16 months remaining upon completion of the 35L Course - you will be required to extend or re-enlist if you do not meet this requirement upon arriving at the CI Special Agent Course
- * Not have been a member of the Peace Corps in the last 4 years
- * No record of conviction by Court-Martial
- * No conviction by a civil court for any offense other than minor traffic violations
- * Must be U.S. Citizen
- * No commercial or vested interest (Soldier or Spouse) in a country of special concern (*contact local Security Manager for details*)

Army Operations Security Detachment

Great Skills Program

Counterintelligence Training

Job training for a Counterintelligence (CI) Agent requires 17 weeks and 4 days of attendance at the Counterintelligence Special Agent Course (CISAC) and on-the-job instruction, including practice in CI investigations, operations and analysis. Part of this time is spent in the classroom and part in the field. Some of the skills you'll learn are:

- * CI Investigations
- * Evidence collection
- * Preparing CI reports
- * Using computer systems
- * CI analysis
- * CI Source Operations
- * Surveillance

Helpful attributes include:

- * An outgoing personality
- * An interest in gathering information and studying its meaning
- * An ability to organize information
- * An ability to think and write clearly
- * An ability to work independently or with minimal supervision
