5. Soldiers scheduled for training that results in the changing of their PMOS are not authorized a bonus under this paragraph unless granted an exception listed in paragraph 8d. Soldiers possessing a PMOS and rank with associated SQI, ASI, or language code, if any, with a tiered level listed in the following location table who reenlist under the rules explained in paragraph 7 or 8, may be entitled to a lump sum, flat-rate, SRB payment as depicted in paragraph 6 regardless of the tier level. **If receiving a bonus under this paragraph that involves training**, the Soldier need not be on assignment to the incentivized location at the time of reenlistment, the only requirement is that they be scheduled for the listed training. Bonuses will not be paid until Soldiers have successfully graduated the SQI, ASI, or language code training associated with their bonus and are subsequently assigned to the required location/command.

7. Location specific SRB program: Soldiers meeting the requirements below may be entitled to a lump sum, flat-rate, SRB payment:

- a. Possess a PMOS and rank with associated SQI, ASI, or language code, if any, and are on Assignment Instructions (AI) to, or reenlisting (to include option E-2) for a location listed in paragraph 5.
- b. 'SP OPNS CMD' location specific SRB is not authorized for Soldiers who are currently assigned in, on AI to, or reenlisting (to include option E-2) for the '75TH RANGER REGT' or '160TH SOAR'. Location specific SRB's are not interchangeable and are restricted to the exact location listed in paragraph 5.
- c. Soldiers reenlisting for a location specific SRB will be used in an authorized position based on PMOS, ASI, SQI, and language code as appropriate, for the authorized stabilization period. Soldiers who fail to complete the stabilization period are subject to recoupment of the SRB.
- d. Soldiers reenlisting for a location specific SRB will be stabilized for a minimum of two years unless the location is for a short tour area. Soldiers reenlisting for a short tour area will be stabilized for a minimum of 12 months unless otherwise directed by U.S. Army Human Resources Command (HRC). Stabilization will commence on date of reenlistment (CONUS) or deros date (OCONUS) for Soldiers currently serving in a valid position at a designated location. Stabilization will commence upon arrival at the new duty station for all other Soldiers.
- e. The RETAIN reenlistment confirmation process will send the Assignment Eligibility and Availability (AEA) code "U" and termination date for those Soldiers reenlisting for current station stabilization. For all other reenlistment options, installations will use AEA code "G" to stabilize Soldiers for the required stabilization period stated in paragraph D above.
- f. Career Counselors will advise Soldiers who are reenlisting to comply with AI and receiving a location specific SRB, that if they are diverted or deleted from the designated location, they may be subject to recoupment and should contact their servicing Career Counselor immediately. Career Counselors will contact HRC, Retention and Reclassification Branch, for further guidance.

8. **Special considerations and technical information:**

- a. The provisions of paragraphs 4 and 5 are separate entitlements. Therefore, a Soldier is only allowed one bonus entitlement and cannot combine different bonus authorizations.
- b. Soldiers who reenlist outside of the reenlistment window as established by HQDA, G-1 with a valid reason for discharge, may be paid a bonus if otherwise qualified under paragraph 4 or 5. This includes Soldiers reenlisting under option E-1 to meet the service remaining requirement for training in a new PMOS (tier 4 or higher with a valid reclassification control number and approved decision report), SQI, ASI or language code or assignments that require completion of unit specific training (160th SOAR-Green Platoon, 75th Ranger Regiment-RASP1/RASP2) or the associated SQI, ASI, or language code listed in paragraph 5 prior to assignment.

- c. Soldiers must be qualified in, or scheduled to attend training for the SQI, ASI, or language code associated with a PMOS listed in paragraph 4 or 5. However, Soldiers who are scheduled to attend training will not receive their bonus payment until they have completed the associated training and are subsequently assigned to the incentivized location (if applicable).
- d. Soldiers who are scheduled to attend training in a new PMOS listed in paragraph 4 with a tier 4 or higher are authorized to receive the SRB with the associated PMOS for which they are reenlisting. However, Soldiers who reenlist to attend PMOS training will not receive their bonus payment until they have successfully graduated the PMOS training. Soldiers will not be paid an SRB for their current PMOS if training will result in a change in the Soldier's 3-character PMOS, to include those that are approved for an officer commissioning program prior to the date of reenlistment.
