- B. Department of Defense Instruction (DODI) 1304.31, subject: Enlisted Bonus Program (EBP), 5 November 2020.
- C. AR 601-280 (Army Retention Program), 16 October 2019.
- D. DA Pam 611-21 (Military Occupational Classification and Structure), 19 July 2018.
- E. DA Pam 601-280 (Army Retention Program Procedures), 16 October 2019.
1. Reference A is rescinded on the effective date of this message.
  2. This MILPER message announces changes to the Regular Army SRB program. **It is effective on 18 June 2021** and will expire no later than 18 June 2022. Any changes to the SRB program will be announced in a subsequent MILPER message.
  3. This message will be brought to the immediate attention of all commanders, retention offices, recruiters, and Army Military Pay Offices (AMPO). To avoid future claims of erroneous or unfulfilled commitments, commanders will ensure AMPO and retention personnel are advised of the contents of this message.
  4. Soldiers reenlisting under this paragraph may be entitled to a lump sum, flat-rate, SRB payment as depicted in paragraph 5. Bonuses that are identified for a specific location must adhere to the rules in paragraph 6. Soldiers must currently possess a Primary Military Occupational Specialty (PMOS), rank, and Total Active Federal Service (TAFS) (if listed in the following table) with associated Skill Qualification Identifier (SQI) or Additional Skill Identifier (ASI), if any, or be currently scheduled for training in the listed PMOS, SQI or ASI depicting a tiered level in the following table. If receiving a training bonus for changing their PMOS, the tier must be listed as a tier 3 or higher. If already PMOS qualified and receiving a training bonus for SQI or ASI, there is no tier requirement. Additionally, if already PMOS qualified and receiving a training bonus, there is no requirement to be on assignment instructions (AI) to the listed location at the time of reenlistment; the only requirement is that they be scheduled for the critical skill shortage training listed for that location. Bonuses will not be paid until Soldiers have successfully graduated the PMOS and/or SQI or ASI that is associated with their bonus, and if applicable, been assigned to the specific location as identified in the table below:

6. **Location specific SRB program**: Soldiers meeting the requirements below may be entitled to a lump sum, flat-rate, SRB payment:
- a. Soldiers receiving a location specific SRB who require training prior to being assigned to the listed location will always receive a training SRB type to be released upon successful completion of the required training who are on assignment to the listed location. For example, a Soldier receiving an SRB to go to a "SP OPNS CMD" position, who still requires airborne school, (SQI "P") will be paid a future training SRB regardless of the fact that it is a location specific SRB, even if the Soldier has not been placed on AI at the time of reenlistment. The only requirement is that they be scheduled for training at the time of reenlistment.
  - b. Possess a PMOS and rank with associated SQI or ASI, and are on AI to, or reenlisting (to include option 2) for a location listed in paragraph 4.
  - c. "SP OPNS CMD" location specific SRB is not authorized for Soldiers who are currently assigned in, on AI to, or reenlisting (to include option 2) for the "75TH RANGER REGT" or "160TH SOAR". As an exception, Soldiers currently assigned in the "75TH RANGER REGT" or "160TH SOAR" who are on AI to a "SP OPNS CMD" unit are authorized the "SP OPNS CMD" location specific SRB. Only the following Distribution Management Sublevels (DMSLs) are associated with the "SP OPNS CMD" location SRB: 4PO, 8PO, CAB, S03, S05, S07, S10, S11, SFC, SO1, SOG, SPH, SPT, SWC, SX1, and SPO. Location specific SRBs are not interchangeable and are restricted to the exact location listed in paragraph 4.
  - d. **"OPTION 2 ONLY"** location specific SRB is limited to only those Soldiers who are assigned in the incentivized location, who are in the reenlistment opportunity window, and reenlist for the current station stabilization reenlistment option.
  - e. Soldiers reenlisting for a location specific SRB will be used in an authorized position based on PMOS, SQI or ASI for the authorized stabilization period. Soldiers who fail to complete the stabilization period are subject to recoupment of the SRB.
  - f. Soldiers reenlisting for a location specific SRB will be stabilized for a minimum of 24 months (12 months if reenlisting for a short tour area) unless otherwise directed by U.S. Army Human Resources Command (HRC). Stabilization will commence on date of reenlistment (CONUS) or Date Eligible to Return from Overseas (DEROS) (OCONUS) for Soldiers currently serving in a valid position at a designated location. Stabilization will commence upon arrival at the new duty station for all other Soldiers.
  - g. The RETAIN reenlistment confirmation process will send the Assignment Eligibility and Availability (AEA) code "U" and termination date for those Soldiers reenlisting for current station stabilization. Career Counselors will enter the number of stabilization months listed in paragraph g above regardless of the entry authorized on the DA Form 3286. For all other reenlistment options, installations will submit AEA code "G" to stabilize Soldiers for the required stabilization period stated in paragraph g above. AEA "G" submissions must be in accordance with [www.hrc.army.mil/content/15154](http://www.hrc.army.mil/content/15154) . Failure to follow these instructions may result in Soldiers being placed on AI to leave the incentivized location and may subject the Soldier to recoupment of the unearned portion of their SRB.

h. Career Counselors will advise Soldiers who are reenlisting to comply with AI or for a training bonus and receiving a location specific SRB, that if they are diverted or deleted from the designated location, they may be subject to recoupment and should contact their servicing Career Counselor immediately. Career Counselors will contact HRC, Retention and Reclassification Branch, for further guidance.

7. Special considerations and technical information:

a. A Soldier is only allowed one bonus entitlement and cannot combine different bonus authorizations.

b. Soldiers who reenlist outside of the reenlistment window as established by Headquarters, Department of the Army (HQDA), G-1 with a valid reason for discharge, may be paid a bonus if otherwise qualified. This includes Soldiers reenlisting under option 1 to meet the service remaining requirement for training in a new PMOS (tier 3 or higher with a valid reclassification control number and approved decision report), SQI or ASI or assignments that require completion of unit specific training (160th SOAR-Green Platoon, 75th Ranger Regiment-RASP1/RASP2, CATC-SFAB). The only requirement is that they be scheduled for training at the time of reenlistment for those who are receiving a future training SRB.

c. Soldiers must be qualified in, or scheduled to attend training for the SQI or ASI associated with a PMOS listed in paragraph 4. However, Soldiers who are scheduled to attend training will not receive their bonus payment until they have completed the associated training and are subsequently assigned to the incentivized location (if applicable).

d. Soldiers who are scheduled to attend training in a new PMOS listed in paragraph 4 with a tier 3 or higher are authorized to receive the SRB with the associated PMOS, SQI or ASI for which they are reenlisting. Soldiers who reenlist to attend PMOS, SQI or ASI training will not receive their bonus payment until they have successfully graduated the required training and are assigned to the incentivized location (if applicable).

e. Soldiers will not be paid an SRB for their current PMOS if training will result in a change in the Soldier's 3-character PMOS, to include those that are approved for an officer commissioning program prior to the date of reenlistment, regardless of the reason for discharge.
